

**City of Conway
Building Permits Department
Insurance Agreement**

I hereby certify that I am in compliance with the Conway Municipal Code pertaining to Applications for Permit-Certificate of Insurance which requires that:

All applications to the Department of Building Permits and Inspections for the issuance of a Building Permit for the construction of a residence, or for the construction of an addition or a remodeling project, with a value of \$20,000 or greater, shall include a certificate issued by an insurance company licensed to do business in the state of Arkansas that the applicant has procured and has in effect public liability and property damage insurance covering the applicant's homebuilding operations in the sum of not less than \$20,000 for injury or damage to property and \$50,000 for injury and damage, including death to any one person, and \$100,000 for injury or damage, including death to more than one person.

Furthermore, that this coverage will remain in effect during any permitted project of which I am constructing.

**Storm Water Pollution Prevention
Agreement**

I understand the requirements to conform to the Storm Water Pollution Prevention plan and keep the streets of Conway and drainage systems free of sediments, debris and trash. Clean up costs will be charged to the builder if necessary. Inspections by the City will not be made unless appropriate storm water pollution prevention measures are in place and maintained throughout each individual project.

By signing below, the applicant acknowledges and agrees to abide by both the insurance and the Storm Water Pollution Prevention Agreements. It is the responsibility of the builder to be familiar with these ordinance requirements.
