GUIDELINES FOR DECISION MAKING BY THE CITY COUNCIL

1. The City Council may grant a variance for a sign where the literal application of this code would create a particular hardship.
2. No variance for a sign shall be reviewed by the City Council without a report from the Planning & Development Department.
3. In granting a variance, the City Council may attach additional requirements necessary to carry out the spirit and purpose of this Ordinance in the public interest.

PROCEDURE

2. The Petitioner must pay a filing fee of \$100.
3. The Application for Sign Variance must be submitted to the Planning & Development Department **no less than eleven (11) days** prior to the meeting.
4. The Application must include the actual sign application and a diagram showing the location and what variance is being sought.
5. The petitioner must prove the hardship caused the sign user under the literal interpretation of the code is due to conditions unique to that property and does not apply generally to the City.
6. The petitioner must prove the granting of the variance would not be contrary to the general objections of the code and the land use plan.
7. The petitioner must place a notice of public hearing in the Log Cabin Democrat appearing, **no fewer than 7 days** prior to the date of the City Council meeting. Please place add 9 days prior to meeting as the Log Cabin Democrat requires 2 days to process the notice.
8. The notice must include:
 - (a) The variance being sought,
 - (b) The location of the property (including an address and/or description of the property easily understood by the layperson),
 - (c) The time, date, and place of the public hearing.

Evidence of this notification must be presented to the Planning & Development Department **no less than 7 days** prior to the public hearing. A sketch of the surrounding property owners must be submitted **no less than 7 days** prior to the City Council meeting.

11. At the date and time of the City Council meeting, all parties in favor and in opposition of the variance request will be given an opportunity to provide input for the City Council's consideration. It is imperative that the applicant has someone at the public hearing to answer any questions that the Council or public may have regarding the variance request.
12. Following the formal public hearing, the City Council will consider the variance request and take whatever actions) the Council deems appropriate.
